

CHAPTER 1

THE WAKE UP!

The sun is rising. A new day has just begun and I couldn't be happier. I still feel a little bit dusty from yesterday, but the happiness of being blessed with all the love around me makes me wake up with a big smile. Clean up, wake up, show up.

This is the first day of the rest of my life.

I choose in which direction I want to go.

Can't wait to see what challenges life will bring me.

Let's go!
